PROFESSIONAL SUMMARY

Creative Producer with 5+ years taking work from bid to delivery across brand film, documentary, social, podcast, and live content for 40+ clients in the US and India. Produces high volume, mixed deliverables, including live action video, stills, motion graphics, and audio, built for platform formats on Instagram, TikTok, YouTube, and LinkedIn. Former creative lead of a 10+ person team across 25 to 35 concurrent accounts, managing in-house teams, outside vendors, schedules, budgets, and feedback rounds under tight timelines. Uses AI where it speeds up production, such as AI assisted editing, transcripts, and previs, while keeping story, performance, and final craft in human hands.

WORK EXPERIENCE

Creative Producer | New Lascaux Studios, New York, NY | Feb 2026 - Present

- Lead creative production on narrative and cinematic projects from treatments, pitch decks, and script development through on set execution and post, keeping each on schedule and on budget
- Run preproduction across concurrent projects, including location scouting, permits and insurance, call sheets and shot lists in StudioBinder, and preproduction meetings with the director and department heads
- Hire and book crew, freelancers, talent, and equipment vendors, negotiating rates and managing releases
- Build and track line item budgets across production and post, reconciling costs after wrap
- Serve as the creative lead on set, managing crew communication and pacing to deliver the director's vision
- Supervise post production, running review rounds with editors, tracking versions in Frame.io, and managing media backups and asset organization
- Turn each shoot into multiple deliverables, including vertical social cuts, teasers, trailers, and stills for Instagram and TikTok, adjusting formats based on performance
- Build festival submission strategies and pitch projects to partners and funders, including grant applications
- Bring AI tools into production where they speed up the work, such as transcripts, previs, and versioning, while keeping story, performance, and final craft human

Video Producer | Roll AI Inc., New York, NY | Oct 2025 - Jan 2026

- Produced coverage of the Brand Innovators Leadership in Brand Marketing Summit 2025, directing executive interviews and capturing keynotes, panels, and backstage conversations
- Ran multi-camera setups through full day sessions, managing shot composition, on site logistics, and live execution
- Integrated AI assisted editing into the post workflow, shortening turnaround on platform ready cuts for YouTube and LinkedIn while holding broadcast quality

Live Streaming & Video Mixing Producer | Red Dog Productions, Parsons, New York, NY | Sept 2025 - Dec 2025

- Produced multi-camera livestreams of workshops, talk shows, and book events on ATEM Mini Pro and Blackmagic Studio Camera 4K Plus G2, streaming to internal platforms and client websites
- Served as producer, camera operator, video mixer, editor, and colorist on every production, applying real-time color grading and mixing to deliver polished recordings under live conditions

Video Production Intern | HubSpot, Cambridge, MA | May 2025 - Sept 2025

- Produced videos end to end for the How to HubSpot YouTube channel, from topic research and scripting through shot lists, filming, and final edit, delivering 10 published videos
- Scouted and vetted on camera talent, coordinated with outside vendors, and supported shoots with camera, lighting, and on set logistics
- Optimized titles, descriptions, thumbnails, and metadata through SEO and audience research to improve discoverability and subscriber growth
- Repurposed long-form tutorials into YouTube Shorts and applied retention editing to keep viewers watching longer

Media Design Course Assistant | The New School, New York, NY | Jun 2024 - May 2025

- Mentored 15 students per semester in Premiere Pro, Photoshop, and Illustrator, reviewing projects and giving feedback on design and storytelling craft

Creative Director (Content and Campaign Lead) | Pixelway, Hyderabad, India | Dec 2021 - Nov 2023

- Rose from copywriter to creative lead, directing a 10+ person team of graphic designers, motion designers, copywriters, and marketing staff across 25 to 35 concurrent client accounts
- Owned each account from brief through bid, concept, production, feedback rounds, delivery, and budget reconciliation, across client budgets from small to large
- Bid and awarded work to outside vendors and freelance collaborators after each client briefing, then managed them alongside the in-house team to meet volume and deadlines
- Partnered directly with client marketing teams on events and branding projects to align creative with campaign requirements

- Delivered high volume, mixed format campaigns across stills, motion graphics, video, and copy for Facebook, Instagram, and LinkedIn, plus print work including an 18 to 20 page real estate brochure with original property photography
- Redesigned onboarding and production workflows, cutting setup time by 20% and delivery time by 15%
- Drove a 30% lift in audience engagement in six months and held 90%+ client retention across food and beverage, fashion, healthcare, education, real estate, and corporate accounts

Digital Video Intern | Brand Mandir, Hyderabad, India | Mar 2019 - Dec 2019

- Planned and shot up to 4 video shoots a day, handling lighting, camera, and sound, and edited 15+ projects in Premiere Pro and After Effects
- Scripted and storyboarded 10+ campaigns and produced live content for YouTube and Instagram reaching 1,000+ daily viewers
